WHAT NEW THIS MONTH

Diet to Go meal plan
service

Barbell Strength: A total body workout utilizing a barbell incorporating compound movements .

Boot Camp: Blasts the fat and tones your muscles. No complicated choreography. High intensity cardio and functional strength training.

Cardio Circuit: Circuit style class with an emphasis on cardiovascular health.

Core De Force: Much more than a typical cardio class. It's an empowering, core-focused workout, inspired by the highest-octane sport in the world—mixed martial arts. MMA-Inspired Combinations: Broken into 3-minute rounds of punching, kicking, and jabbing.

Cardio HIIT: High intensity interval training (HIIT) is short, intense, unsustainable bursts of physical activity, paired with intervals of quick rests.

Core strength: Train for improvements in everyday, real life activities by challenging your core with functional movement patterns using hand weights and body weight.

Form & Function: Cardio moves and Strength training emphasizing the importance of proper form and technique.

HIIT Strength : Fat burning HIIT exercises and strength training supersets come together to create a brutal but fun sweatfest.

P90X Live: Features powerful moves that motivate class goers to push their limits while offering modifications for those just getting started. Participants use a range of equipment in “protocol based” approach to total body training.

Pilates: Focus on the “powerhouse” of the body based on the principles of Joseph H. Pilates, this mind body workout combines breathing and alignment to improve strength and flexibility.

Power Pilates: A vigorous sequence of mat exercises based on Joseph H. Pilates work. A mind body workout with flowing transition while increasing core strength, flexibility, & mobility.

Power Hour: Strengthen all of your major muscles in this free weights. Simple athletic movements are performed in an inspiring group environment with upbeat music.

Power Hour Yoga: Take your practice to the next level . Working inversions, arm balancing and flexibility.

Real Ryder: Is like no other indoor bike on the planet. Unique patented articulating frame technology lets any level of rider engage body and mind in a dynamic riding experience.

Power Hour: Strengthen all of your major muscles in this free weights. Simple athletic movements are performed in an inspiring group environment with upbeat music.

Silver Sneakers: Join a community of seniors and older adults for a total-body workout designed to increase flexibility, joint stability, balance, coordination.

Strength Circuit: A circuit that combines cardio and strength moves will blast fat and sculpt muscle.

Stretch For You: Stretching is a vital part of any exercise routine as it gives your muscles the ability to lengthen, expand and restore after exercise. Dynamic and static stretches for the best results!

STRONG by Zumba™: High Intensity Interval Training class using more traditional fitness moves for a more athletic, conditioning-style workout. You use your own body weight as resistance to achieve muscle definition. ... STRONG by Zumba™ is also characterized by a unique system of progression.

Taking Form Yoga: A dynamic and playful practice designed to kick you out of your shell and explore your body's capabilities. The class focuses on an energetic blend of balance, flexibility and strength with elements of dance and acrobatics.

Yoga for Seniors: Focus on strength, balance, respiration, and concentration, all key elements of healthy aging. No inversions (hand stands, head stands), deep backbends, or deep twists.

Yoga : An ancient practice drawing awareness to mind, body and soul. Learn breathing techniques that correlate with your everyday life.

ZUMBA® A fusion of Latin and International music / dance themes that create a dynamic, exciting, and based on the principle that a workout should be "FUN AND EASY TO DO." The routines feature aerobic/fitness interval training with a combination of fast and slow rhythms that tone and sculpt the body.

Zumba® Toning : Combines targeted body-sculpting exercises and high-energy cardio work done with toning sticks.
